

Annual Report

Vision

To reduce and eliminate risk from fire, rescue, and medical events in the communities we serve.

Fire District 3

Mission

To preserve quality of life and protect property through public education, prevention activities, and emergency response services.

2019

District Highlights

- One engine and five personnel members deployed to assist with the Sonoma County fires late October
- Placed two new structural engines into service
- Implemented Active Shooter Hostile Event Response (ASHER) training plan
- Created and implemented training opportunities with local law enforcement partners
- Hired four recruit firefighters to fill two vacant firefighter positions, one upcoming retirement and one anticipated promotion
- Started construction on new Scenic Fire Station
- Toured nine high hazard facilities
- Completed 2,135 Fire and Life Safety inspections and calls for service
- No local option levies or bonds procured
